## Our Competitive Edge

Teamed with leading partners/mentors, our IT division is strengthened by our partner MILVETS Systems Technologies, a certified SDVOSB, who provides professional service such as Program Support, Information Management, and Technology Solutions. Proven track record of recent past performance: GSA Section 508 Services, Department of Veterans Affairs Section 508, USSO-COM SOCRATES, and NGEN. With our Healthcare division, we are partnered with ERP International, recent SBA 8a graduate that provides support for fifty-five U.S. Army military hospitals and 343 clinics, plus more than 300,000 U.S. Navy personnel and over 250 U.S. Navy ships. Together with our partners, we share a long-working relationship, anchored by the same core values and commitment to our customers.

**Performance Beyond Expectation** - We provide our clients (Federal, State, and local) with exactly what they need in order to achieve long-term success and customer satisfaction.

**Strategic Recruiting** - We make it a priority to match our clients' staffing needs with qualified technical and medical candidates.

**Delivery** - Our first priority is to deliver what we promise within the time we promise. We fully understand the importance of deadlines and budgetary limitations.

**OnesourcePCS Contract Vehicles** - Navy Seaport-e, FAA eFAST, GSA (8a) Stars II, Florida STC Technology Staff augmentation services

**8(a) Certified Small Business** - We provide simplified and expedited acquisition for government agencies.
